

EBM

Evidence-Based Medicine

R. David Thomas Executive Conference Center
Duke University, Durham, North Carolina

The Duke Division of General Internal Medicine
presents

Teaching and Leading EBM:

A Workshop for Educators and Champions of Evidence-Based Medicine
March 31 - April 3, 2009

Workshop Description

This workshop is an intensive and interactive 4-day program designed to develop the knowledge and skills required to practice and teach evidence-based care.

Sessions will feature a mix of small and large group discussions, interactive lectures, and case-based studies. Participants will spend 36 hours in active and assigned coursework. **As a key workshop highlight, attendees will be assigned dedicated small-group mentors to guide them in achieving personal goals and objectives.**

Workshop Objectives

Following participation in this activity, participants should be able to:

1. Investigate, evaluate, and improve patient-care practices utilizing scientific evidence and methods.
2. Facilitate evidence-based clinical practice in their teaching and practice settings.
3. Practice the skills involved in evidence-based medicine including clinical question formation and acquisition of medical evidence from the literature.
4. Review, develop, and refine critical appraisal skills and application of available evidence to patient care and medical education.
5. Identify and utilize a variety of evidence-based resources.

Target Audience:

- Chief residents
- Program Directors
- Primary-care and specialty-care physicians
- Pharmacists
- Nurses
- Medical Librarians

Core Faculty

Clay Bordley, MD, MPH
Duke University Medical Center

Cathleen Colon-Emeric, MD, MHSc
Duke University Medical Center

Phillip Dahm, MD
University of Florida

Jamie Fox, MD
Akron Children's Hospital

Kenneth L. Goldberg, MD
Durham Veterans Affairs Medical Center
Duke University Medical Center

Mitch Heflin, MD
Duke University Medical Center

Cathy P. Kaminetzky, MD, MPH
Duke University Medical Center

Sheri A. Keitz, MD, PhD
University of Miami Miller School of Medicine
Miami VAMC

Thomas A. Owens, MD
Co-Director, Program on Teaching EBM
Duke University Medical School

Connie Schardt, MLS
Co-Director, Program on Teaching EBM
Duke University Medical Center

Grace Thrall, MD
Duke University Medical Center

Jane Trinh, MD
Duke University Medical Center

Heather Whitson, MD
Duke University Medical Center

John Q. Young, MD
UCSF School of Medicine

Workshop Schedule

Time	Tuesday	Wednesday	Thursday	Friday
7:30am - 8:00am	Continental Breakfast	Continental Breakfast Tutor Trainee Meeting	Continental Breakfast Tutor Trainee Meeting	Continental Breakfast Tutor Trainee Meeting
8:00am - 9:30am	Large Group Session Welcome Evidence Cycle	Large Group Session Risk/Harm/ Odds Ratios	Large Group Session Diagnosis	Large Group Session Systematic Reviews
9:30am - 10:00am	Break	Break	Break Faculty Meeting	Break
10:00am - Noon	10:00am to 11:30am Large Group Evidence Cycle: Therapy	Small Group Tutorials	Small Group Tutorials	Small Group Tutorials
Noon - 1:00pm	11:30am to 1:00pm Lunch with Small groups	Randomization Lunch	Lunch	Lunch - Interest Groups Noon to 1:00pm
1:00pm - 3:00pm	Concurrent sessions: MEDLINE - PubMed MEDLINE - Ovid Consultations Self Study Computer Lab	Concurrent sessions: MEDLINE - Ovid EndNote Consultations Self Study Computer Lab	Concurrent sessions: PDAs and clinicians MEDLINE - PubMed Consultations Self Study Computer Lab	1:00pm to 3:00pm Large Group Applicability Back to Bedside Wrap-up
3:00pm - 5:00pm	Small Group Tutorials	Small Group Tutorials	Small Group Tutorials
